Product Safety Information Notice on 'iBase Toy wooden musical instrument'

📅 MAY 1, 2020

A safety issue has been identified, whereby this product presents a choking and suffocation risk to young children. The product has small, detachable parts. The 'iBase Toy wooden musical instrument' contains a number of components which can become detached. These include: rainbow bell stick (screws detach with sharp points), the triangle, the shaker eggs, the castanets, the xylophone, and the whistle.

The product's barcode is 191599558378.

These products were sold online through the eBay platform.

What to do:

It is not confirmed whether these products were sold to customers in the Republic of Ireland, however, given their online availability – this remains a possibility.

If you believe that you may have purchased an affected product, discontinue use immediately and keep it out of the reach of children. You may wish to contact the online store from where you purchased this product to see if there are any remedies available to you. This can be done via your user account on the relevant platform.
