Product Safety Information Notice on Jeaxus Magnetic Developmental Toys sold on the Amazon platform

📅 MARCH 24, 2023

A safety issue has been identified with the Jeaxus Magnetic Developmental Toys sold on the Amazon platform:

The product presents a choking risk. The product is unsafe due to its small parts if a child were to put this product in their mouth. If the child detaches more than one magnet and the guardian does not notice, the magnets may attract each other in the intestines, damaging the child's digestive system and causing internal wounds.

The brand, batch number, type/model number and barcode are unknown. The ASIN number is B0B2RNDK41.

The product was sold online through the Amazon platform.

There were approximately 14 number of products sold in the Republic of Ireland.

What to do:

If you purchased one of these products, please discontinue use immediately, discard the product and keep it out of the reach of children. You may wish to contact Amazon to see if

there are any remedies available to you. This can be done via your user account on Amazon.
