## Product Safety Information notice on Lapierre Aircode DRS and Lapierre Xelius SL Bicycles

📅 JULY 21, 2025

Product Safety Information notice on Lapierre Aircode DRS and Lapierre Xelius SL Bicycles.

The risk reported to the CCPC is that of injuries. The aluminium shim may leave indentations on the fork steerer tube. Over time, these indentations could develop into cracks. This could cause the fork to fail during use, potentially leading to injuries.
