Product Safety Information Notice on Light Up Pop Pipes sold on Amazon

📅 DECEMBER 19, 2023

A safety issue has been identified with Light Up Pop Pipes sold on Amazon.

The product presents a chemical and choking risk. The battery compartments within the product do not include a screw, or similar fixing to secure the batteries. As a result, batteries can become accessible which a child may place in the mouth and swallow presenting a choking hazard and causing damage to the gastrointestinal tract due to a chemical burn hazard.

The Amazon ASIN is B0BQMDNL4F. The brand, model number, barcode and the batch number are unknown.

The product was sold online through Amazon. There are approximately 11 affected products in the Republic of Ireland.

What to do:

If you purchased one of these products please discontinue use immediately and keep away from children. You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your user account on Amazon.
