Product Safety Information Notice on Lighting Chains

📅 JUNE 15, 2021

A safety issue has been identified with the following lighting chains which were available on the Wish platform:

There is an electric shock risk with lighting chains LED PIOGGIA DI STELLACADENTE – E12061-3-FBA E2-01-01 of unknown brand. The type/number of the model is 2020-11876. The batch number and bar code are unknown.

There were 176 units of the product sold to consumers in the Republic of Ireland.

The lighting chains were sold online through the Wish platform.

What to do:

If you believe that you may have purchased an affected product, discontinue use immediately, discard the product immediately and keep it out of the reach of children. Purchasers of these products from the Wish platform will be immediately alerted by Wish and issued with full refunds.
