--	--	--

The risk presented by these products is choking. The dog's head and the duck detach from the base of the product, resulting in small parts. These small parts can be swallowed by young children leading to blockage of the respiratory tract and possible choking.

The brand is Music Box Kingdom.

The total number of affected products is approximately 7 in the Republic of Ireland.

## **What to do**

If you purchased one of these products, please discontinue use immediately, discard the product immediately and keep it out of the reach of children.
