Product Safety Information Notice on Pikachu Soft Toy sold on the Joom platform

📅 JULY 5, 2023

A safety issue has been identified with a Pikachu Soft Toy sold on the Joom platform.

The risk reported to the CCPC is choking as the inner stuffing material of the soft toy is accessible which may lead to a child choking on it.

The brand, model number, batch number and the bar code are unknown.

There are approximately 8 affected products in the Republic of Ireland.

What to do:

If you purchased one of these products, please discontinue use immediately and discard the product. Purchasers of these products from the Joom platform will be alerted by Joom of this issue. You may wish to contact Joom to see if there are any remedies available to you. This can be done via your user account on the Joom platform.
