Product Safety Information Notice on QIFU Plush Christmas Gonks Set sold on Amazon

📅 MARCH 6, 2024

A safety issue has been identified with QIFU Plush Christmas Gonks Set sold on Amazon.

The risk presented by this product is choking. The sequins can easily detach from all three gonks, producing a small part which a child can put in their mouth and choke on. The seams on the red gonk were too weak and allow access to the internal fibrous filling and an easily tearable internal plastic bag containing small stones/grit. A child can put the filling and/or stones/grit in their mouth and choke.

The brand is QIFU. The ASIN number is B09B3PDXF3. The barcode is X001EQGH4P. The Carton number is FBA15H3DGDP9U000008. The model and batch number are unknown.

The product was sold online through Amazon. There are approximately 66 affected products in the Republic of Ireland.

What to do:

If you purchased one of these products, please stop use immediately. You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your user account on Amazon.
