## Product Safety Information Notice on Sky blue Soother holders sold on the TEMU platform

📅 DECEMBER 11, 2024

A safety issue has been identified with Sky blue Soother holders sold by a third-party seller on the TEMU platform.

The risk reported to the CCPC is that of choking and strangulation. The clothing fastener device of the soother can easily break, resulting in small parts. Small children may put them in the mouth and choke. The soother holder and its double-strand part is also too long which can lead to strangulation.

The type/number of the model is 47. The batch number is 202309001. The barcode is 5169288171. The brand is unknown.

There are approximately 7 affected products in the Republic of Ireland.

### What to do:

Customers should stop using the product immediately and keep it out of the reach of children.

Temu have contacted affected consumers in relation to this recall and arranged refunds on behalf of the seller.

If you have not received a refund or have any further concerns or questions about this product, please contact the Temu Dedicated Customer Services department by following the link [🔗 here](#).
