Product Safety Information Notice on Soft Toy sold on the TEMU platform

📅 JUNE 30, 2025

A safety issue has been identified with a Soft Toy sold on the TEMU platform.

The risk reported to CCPC is choking. The eyes of the toy can easily detach, generating small parts. A small child could put them in the mouth and choke on it.

The batch number is 289672741. The bar code is 9778476479.

There are approximately 44 affected products in the Republic of Ireland.

What to do:

Customers should stop using the product immediately and keep it out of the reach of children.

Temu has contacted affected consumers regarding this recall on behalf of the seller, and reimbursements have been issued to those impacted.

If you have not received a refund or have further questions or concerns about this product, please contact Temu's Dedicated Customer Service team by following the link [🔗 here](#).
