Product Safety Information Notice on Soother Clips sold by Grays Bespoke

📅 SEPTEMBER 13, 2024

The CCPC has safety concerns with all soother clips (soother holders) sold by Grays Bespoke, between March and July 2024.

The soother clips have not been tested to relevant safety standards.

There were approximately 70 soother clips sold by Grays Bespoke to consumers in the Republic of Ireland.

If you purchased one of these soother clips please discontinue use immediately and keep away from children.

When purchasing baby products always be mindful of safety and check if products meet required safety standards.
