Product Safety Information Notice on Sunveno Baby Carrier sold on the Amazon platform

📅 MARCH 31, 2023

A safety issue has been identified with Sunveno Baby Carrier sold on the Amazon platform:

The risk presented by the product is Injuries. The carrier bends sideways or forwards with the baby. Due to the insufficient attachment options on the baby carrier, adequate support cannot be guaranteed. The baby may slip out of the carrier. The person carrying the baby cannot grasp the baby quickly and securely. The baby may fall and fatally injure itself.

The brand is Sunveno. The type/number of model is HC22094-2NZ-U. The batch number is unknown. The barcode is 850012568056.

The product was sold online through the Amazon platform.

There are approximately 4 affected products in the Republic of Ireland.

What to do:

If you purchased one of these products, please discontinue use immediately and discard the product. You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your user account on Amazon.
