Product Safety Information Notice on three toys sold on the Wish Platform

📅 FEBRUARY 1, 2021

A safety issue has been identified with the following toy products which were available on the Wish platform:

There is a strangulation risk with the child's Ninja costume (unknown brand, Type/Model Number: A L101-B-1 / B18065.S).

There is a choking risk with both the soft toy character from the film Totoro (brand, Type/Model Number, Batch Number, Bar Code all unknown) and with the soft toy monkey on a key ring (brand KO BONNIE, Type/Model Number: N#310).

There were 26 units of the child's Ninja costume sold to consumers in the Republic of Ireland. There were 10 units of the soft toy character from the film Totoro and zero units of the soft toy monkey on a key ring sold to consumers in the Republic of Ireland.

The three toy products were sold online through the Wish platform.

What to do:

If you believe that you may have purchased an affected product, discontinue use immediately, discard the product immediately and keep it out of the reach of children. Purchasers of these products from the Wish platform will be immediately alerted by Wish and issued with full refunds.
