Product Safety Information Notice on Wax Dissolving Lamp sold on Amazon

📅 MARCH 28, 2024

A safety issue has been identified with Wax Dissolving Lamp sold on Amazon:

The product presents a risk of fire and electric shock as it is fitted with a counterfeit fuse which may not protect the product from potentially catching fire and injuring the user. There is access to live parts which presents an electric shock hazard to the user.

The ASIN numbers are B0BYDFW8QN and B0CBBJHVGY. The other product identifiers are FBA15HDB6NT8U000003. The barcodes are X001QU52VN and X001TC6Y3X. The brand and model are unknown.

The product was sold online through Amazon. There are approximately 89 affected products in the Republic of Ireland.

What to do:

If you purchased one of these products, please stop use immediately. You may wish to contact Amazon to see if there are any remedies available to you. This can be done via your user account on Amazon.
