Product Safety Information Notice regarding LED Lights on the Wish Platform

📅 DECEMBER 21, 2021

A safety issue has been identified with the following LED Lights which was available on the Wish platform.

An absence of additional insulation in the power cable may lead to an electric shock.

There are approximately 14 affected products in the Republic of Ireland.

What to do:

If you believe that you may have purchased an affected product, discontinue use immediately and discard the product immediately. Purchasers of these products from the Wish platform will be alerted by Wish of this issue.
