Product Safety Information Notice relating to a dumbbell shaped rattle

📅 JANUARY 26, 2021

A safety issue has been identified, whereby this product presents a choking hazard due to the presence of small parts. The red plastic container may break and release the small ball contained inside. A child may put them in the mouth and choke.

The product is a rattle in the shape of a dumbbell in red, blue and yellow. The brand, model number, batch number and barcode are unknown.

The product was sold through online platforms.

Given the online availability of this product, it may have been sold to customers in the Republic of Ireland.

What to do:

If you believe that you may have purchased an affected product, **discontinue use immediately** and keep it out of reach of children. You may wish to contact the online store from where you purchased this product to see if there are any remedies available to you. This can be done via your user account on the relevant platform.
