Product Safety Information notice relating to 'Gel Soft - UZI' toy gun with expandable gel beads for ammunition

📅 JUNE 4, 2020

A safety issue has been identified, whereby, it is possible that this product may present a risk to children. Due to the product having expandable gel beads for ammunition, this could result in a child placing the beads in their mouth (either before they have expanded, or after) and swallowing them. This could lead to an obstruction of the airway and a potential choking hazard occurring.

This 'Toy Gun' product is described as an USB graffiti gun with expandable gel beads for ammunition.

The brand of the product is 'Gel Soft' and the name on the product is 'UZI'.

The barcode on the product is 5060542681599 and the batch number is KH048205/6801.

These products may have been sold online through the [eBay](#) platform.

What to do:

It is not confirmed whether these products were sold to customers in the Republic of Ireland, however, given its online availability – this remains a possibility.

If you believe that you may have purchased the affected product, **discontinue use immediately and keep it out of the reach of children.** You may wish to contact the online store from where you purchased this product to see if there are any remedies available. This can be done via your user account on the eBay website.
