Ravensburger recalls Pop-it Spinner: Leopard and Pop-it Spinner: Monkey

📅 DECEMBER 2, 2025

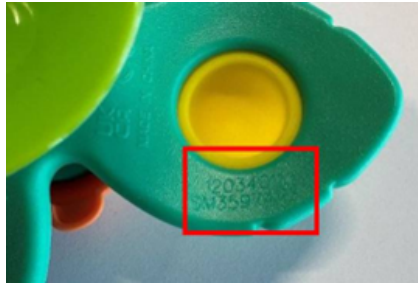

Ravensburger is carrying out a recall of Pop-it Spinner: Leopard and Pop-it Spinner: Monkey.

The risk reported to the CCPC is that of choking. Small parts may detach from the product, which a small child may place in their mouth and choke.

The product details can be found below:

PRODUCT		ITEM NUMBER
Pop-it Spinner: Leopard	 A three-lobed spinner toy with a leopard face in the center. The top lobe is teal with a purple circle, the bottom-left lobe is teal with an orange circle, and the bottom-right lobe is teal with a green circle.	04868 12.034.012 12.034.033
Pop-it Spinner: Monkey	 A three-lobed spinner toy with a monkey face in the center. The top lobe is teal with a blue circle, the bottom-left lobe is teal with a yellow circle, and the bottom-right lobe is teal with a purple circle.	04867 12.034.011 12.034.032

The batch numbers can be found on the bottom of the packaging and on the product (under one of the three leaf-shaped wings). If in doubt, it is recommended to return the product.

There are approximately 417 affected products in the Republic of Ireland. The product was sold at the following retailers:

Brown Thomas / Arnotts

Coggs, St.Stephens Green, Dublin

O'Connors World of Wonder, Tralee

Hopkins Toymaster, Wicklow Town

Duffy's Toyworld, Dunleer

Stakelum Office Supplies, Thurles

Kelly's Toymaster, Tullamore

Toymaster Ballina

Fagan Toys, Mullingar

Toy Corner, Moycullen

What to do:

Customers should stop using the product immediately and keep it out of the reach of children.

Please return the affected products either:

Directly to Ravensburger by completing the returns form on the Ravensburger [website](#) or

To the original store of purchase with proof of purchase

For further information on this recall please contact the Ravensburger service team at service.uk@ravensburger.com.
