Razor Ripstik Electric Caster Board Safety Notice

📅 MAY 5, 2017

Re:Creation Ltd has initiated a repair programme for the Razor Ripstik Electric Caster Board as an issue has been identified whereby the rear wheel can stop rotating while the product is being used, thus having the potential to cause injury. The product has been sold by Argos however was not exclusive to them.

What to do:

If you have a Razor Ripstik Electric Caster Board please stop using it immediately.

You should request a free repair kit by emailing Re:creation at: sales@recreationltd.co.uk
