Recall of Kemei Rechargeable Shaver (KM-2801)

📅 JANUARY 23, 2020

The Kemei Rechargeable Shaver, model number KM-2801, has been recalled. It has been reported that “When attempting to remove the plug from a socket, the top of the casing can be easily removed exposing live parts. It is possible to touch these parts causing an electric shock and possible electrocution.”

What to do:

If you believe you have purchased an affected product, please discontinue the use of the product immediately and contact your retailer.
