Renault Ireland Limited recalls certain Megane vehicles

 JULY 10, 2020

Renault Ireland Limited is carrying out a voluntary recall of certain Renault Megane vehicles. The vehicles were manufactured from September 2018 through to May 2019.

A safety issue has been identified with the fuel hose presenting a possible risk of a fuel leak. This occurs on certain diesel Megane vehicles and affects 188 vehicles in the Republic of Ireland.

What to do:

Renault Ireland Limited will directly contact all affected customers advising them to make an appointment with their local authorised repairer where any necessary repairs will be carried out.

If you believe your vehicle may be impacted by this recall, you can speak to Renault for further information 1890 771 771, or alternatively use their recall checker by following this [link](#).
