

PRODUCT RECALLS

RKW Limited voluntarily recalls certain 8L Digital Multi- Cooker

📅 JULY 22, 2019

RKW Limited is carrying out a voluntary recall of a number of Tower 8L Digital Multi- Cooker. The safety concern identified is the risk of the product independently activating and potentially leading to it overheating and creating a fire risk.

What to do:

If you believe you have purchased the affected product please unplug the product from the mains, and **stop using the product immediately**. Consumers should contact the retailer from whom they purchased the product from or contact RKW Limited on 1800 936 069
