'Specialized' bicycles safety recall

📅 OCTOBER 19, 2011

Specialized UK Ltd is recalling various bicycle models as the brake boss could become loose from the fork, in which case the front function could be impaired and the brake boss could interfere with the rotation of the front wheel.

The recall affects the following 2011 model year Specialized Bicycles:

Sirrus Comp

Vita Comp

Tricross,

Sirrus Expert

Vita Expert

Tricross Comp

Sirrus Elite

Vita Elite

Tricross Sport

The recall affects 393 bicycles sold in Ireland.

What to do:

If you have one of the above bicycle models **stop riding it immediately** and return it to an authorised Specialized retailer for a free replacement fork, which will be replaced free of charge.

For further information on this recall you can call Base Active Distribution Ltd on 01-8612090 or email info@base.ie.
