Subaru recalls Legacy

 OCTOBER 20, 2017

Subaru Ireland is carrying out a voluntary recall of Subaru Legacy vehicles which were manufactured between 2004 and 2009.

Subaru have identified a safety issue where by in the event of deployment of the driver and passenger side airbags, metal fragments maybe released from the inflators of the airbags which could injure the driver and/or the passenger.

There are 800 Subaru Legacy Vehicles affected currently on the Irish market.

What to do

Subaru Ireland will be contacting consumers affected by this recall, by letter.

Should consumers need any further information, please contact Subaru Ireland on the following telephone number: 01 4033969 or 1850 58 58 58
