## SupportPlus stainless steel kettle recalled

📅 AUGUST 15, 2016

The distributor of SupportPlus stainless steel kettle model EWK 2207, PK Agencies, have been informed of an electrical fault with the wiring in these kettles which can pose a safety risk.

The kettles were sold through a number of outlets throughout the country from March 2015.

### What to do:

You are advised to cease using this kettle and return it to the store where purchased it for a full refund. If you have any difficulties in this regard PK Agencies can be contacted on 01 8253340
