## Tiger Product recall

📅 JULY 1, 2015

Tiger Stores Ireland are recalling a soft-filled Parrot with electric sound unit inside the body. There is a potential for a child to access the inner unit and filling in some cases as the stitching may not be of sufficient quality. The plush toys come in a range of bright colours and the item number is 1701214.

### **What to do:**

Consumers who have purchased these toys should stop children playing with them immediately and return the items to any Tiger store for a full refund
