Toyota Dyna recall

 JUNE 27, 2012

Toyota Ireland is carrying out a voluntary recall of Dyna 3.0 litre diesel engine vehicles manufactured between 2006 and 2011.

This safety recall is being carried out because of potential problems with the fuel injection nozzle, which may result in the fuel pipes cracking and leaking.

This recall affects 360 Toyota Dyna vehicles in Ireland.

What to do:

Letters will be sent by Toyota Ireland to customers informing them of the recall.

The letter will advise them to contact their nearest Toyota dealer who will arrange to do the required check and repair free of charge.

Toyota owners who may have questions or concerns should contact their local Toyota dealer or Toyota Ireland Customer Relations for assistance on 1890 224 222.
