

PRODUCT RECALLS

Toyota recalls Corolla, Auris and Yaris certain 2010 models

 APRIL 3, 2018

Toyota is carrying out a voluntary expansion of recall on certain models; Corolla, Auris and Yaris. The production period for Yaris and Auris is Jan 2010 to Dec 2010 and Corolla is Apr 2010 to Dec 2010.

The subject vehicles are equipped with front passenger air bag inflators, which contain a propellant. A defect related to motor vehicle safety may arise in the inflators due to propellant degradation. Activation of an inflator with degraded propellant may result in an inflator rupture.

Number of additional vehicles affected is: 6908

What to do:

Toyota Ireland will be writing directly to those owners involved in the recall to arrange to have their vehicles inspected and to replace the passenger airbag assembly or inflator. The letter will advise you to contact your nearest Toyota dealer who will arrange to do the inspection free of charge. You can also contact Toyota Ireland directly on **(01) 419 0200**.
