

# PRODUCT RECALLS

## Tractor Ted Recalls Tractor Ted and Trailer Wooden Toy

📅 MARCH 1, 2024

Tractor Ted is carrying out a recall of Tractor Ted and Trailer Wooden Toy.

The product presents a serious choking hazard as the toy contains small parts in the form of the front wheels of the trailer component which are easily detachable and in the form of the haybale. These small parts may be placed in the mouth and swallowed, causing a young child to choke.

The brand is Tractor Ted. The batch number is JM1561. The type/number of model is TEDTRAIL. The barcode is 50 60541 944718.

There are approximately 236 affected products in the Republic of Ireland which have been purchased via the Tractor Ted website and other retailers.

### What to do:

If you purchased one of these products after October 2022, please stop use immediately and keep it out of the reach of children.

For advice on how to receive a refund customers can visit the [Tractor Ted Recalls Page](#) and follow the instructions outlined.

If you have any other questions or concerns about the product recall please email the Tractor Ted customer care team directly at [customer-care@tractorted.com](mailto:customer-care@tractorted.com) or alternatively, you can call +44 1373 834500 for more information on returns and refunds.
