Yamaha recalls certain motorcycles

 MARCH 3, 2021

Danfay Limited is carrying out a voluntary recall of certain motorcycles, namely the FJR1300, MT-10, MT-09 Tracer GT, Niken, Tmax, and XT1200 models.

The affected vehicles were produced between 2012 and 2020.

A safety issue has been identified with the affected motorcycles where because of oxidation, an electrical fault may occur which may lead to malfunctioning of the cruise control or activation of the brake light. On the vehicles concerned a new modified brake-light switch will be fitted on the handlebar brake lever.

There are approximately 131 affected vehicles in the Republic of Ireland.

What to do:

Danfay Limited will directly contact all affected customers advising them to make an appointment with their local Authorised Repairer where any necessary repairs/replacements of parts will be carried out.

If you believe that your vehicle may be impacted by this recall, then you can contact Danfay Limited on (01) 2859177 or email info@danfay.ie
